SKILLS

- **Languages:** C++, Java, C, Python, JavaScript, SQL
- **Frameworks:** HTML, CSS, Spring, TensorFlow, Scikit-learn
- **Tools/Platforms:** MySQL, MongoDB, Git, GitHub, Jupyter, Postman
- **Soft Skills:** Problem-Solving, Adaptability, Curiosity

PROJECTS

Epidemic Intelligence System | [GITHUB](#)

November 2025 – December 2025

- Engineered a deterministic NLP pipeline utilizing POS tagging, lemmatization, and WordNet-driven knowledge expansion to extract epidemic intelligence from unstructured health reports with zero-hallucination accuracy.
- Integrated the NLLB-200 transformer model with a FastAPI backend to deliver real-time, state-aware translations into 12+ regional Indian languages, featuring a hybrid TTS system for increased accessibility.
- Architected an interactive surveillance dashboard using Leaflet.js and spatial jittering algorithms, providing a multi-modal map visualization with automated severity scoring for rapid public health response.

AI Wordle Solver | [GITHUB](#) | [LIVE](#)

July 2025 – August 2025

- Developed a sophisticated Wordle solver featuring a dual-mode AI (Normal and Hard) that challenges users to a tactical word-guessing game.
- Leveraged JavaScript (ES6+) and letter frequency analysis to filter word dictionaries dynamically, using Tailwind CSS for a responsive, animated UI.
- Achieved a 100% success rate in solving puzzles within 6 attempts, mastering algorithm optimization and asynchronous state management for real-time web apps.

TRAINING

- Training in Competitive Programming | *AlgoTutor* | [Certificate](#) June 2025 – July 2025
Successfully completed the 28-day Competitive Programming program at LPU. Actively participated in all sessions, demonstrated strong problem-solving skills, and completed all practical assignments with excellence through consistent performance and dedication throughout the program.

CERTIFICATES

- Graph Theory Programming Camp | *AlgoUniversity* | [Certificate](#) September 2025 – October 2025
- Competitive Programming | *AlgoTutor* | [Certificate](#) June 2025 – July 2025
- INNOTEK | *LPU* | [Certificate](#) March 2025 – April 2025
- Social Networks | *NPTEL* | [Certificate](#) January 2025 – April 2025

ACHIEVEMENTS

- Contest Rating – 1482 October 2025
Achieved a LeetCode contest rating of 1482
- Finalists, INNOTEK April 2025
Reached finals of LPU's INNOTEK Annual Innovation and Graduating Project Expo

EDUCATION

- [Lovely Professional University](#) Phagwara, Punjab, IN
Bachelor of Technology – Computer Science and Engineering; CGPA: 8.2 August 2023 - Present
- [The City Montessori School](#) Basti, Uttar Pradesh
Intermediate, Percentage: 91 April 2019 – March 2021
- [Saint Basil's School](#) Basti, Uttar Pradesh
High School, Percentage: 91 April 2017 – March 2019
